Slaks: It was only a joke, Brains.  
Brains: Here's my idea. We gotta capture Santa Claus and hold him for ransom.  
He will give us more toys

Brains: here's my  
ransom.

Duke: Hey, yeah, good idea. When Santa says he will give us more toys  
and the ransom money is paid we let him go.

million dollars. He He He

Pickles: We'll make him pay a zillion dillion dollars. He He He

Pickles: We'll make him pay a billion dollars.  
Brains: Be quiet you dumb-dumb. There's no such number. We'll hold Santa for two hundred dollars.

Simon: Why don't you make the elves pay? It would take about two weeks for them to dig up that kind of money. We'll ruin Christmas for everyone but us.
